

# Jane Brook

COMMUNITY ASSOCIATION INC.

## NEWSLETTER

Issue No. 1  
January 2011

### From the President

The JBCA was formed in December 2009 with encouragement from the City of Swan.

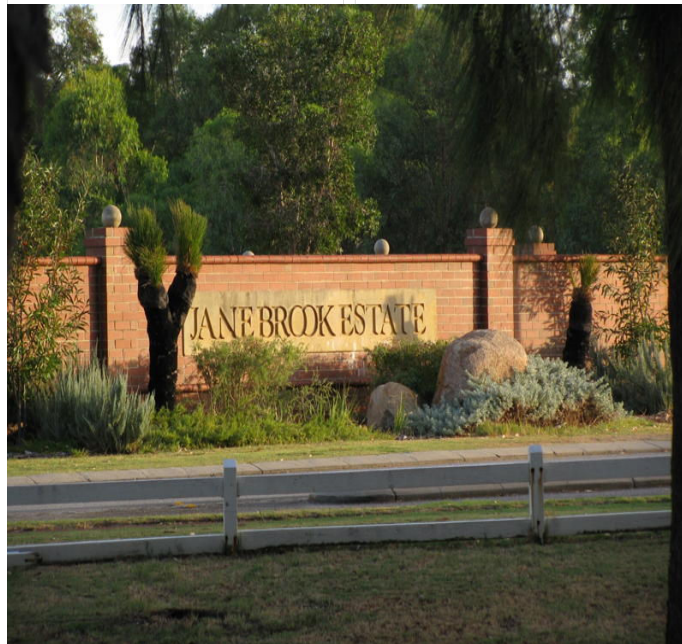

Our purpose is to represent the views and concerns of Jane Brook Ratepayers and Residents. The JBCA Committee endeavours to support and assist the community and contribute to the wellbeing of the suburb by being an advocate for the residents, raising concerns and issues with Local and State Governments and relevant Authorities when necessary.

The Committee endeavours to promote and preserve the benefits of Jane Brook and to vigorously seek initiatives and fund-

ing to enhance the interests of all.

To advise Members of Matters of Interest and of Initiatives proposed.

All Residents, Ratepayers Friends and Business Proprietors are welcome and actively encouraged to join the JBCA, which meets on the second Wednesday of each month.

**or**  
**[mathew.merson@janebrookcommunity.com.au](mailto:mathew.merson@janebrookcommunity.com.au)**

**Children must be accompanied by an adult**

### Turning Strangers into Friends Suburb Sale

The JBCA in conjunction with the City of Swan and Neighbourhood watch are proud to announce an initiative designed to strengthen the community network and provide a mechanism for neighbours to 'get to know each other'. The programme requires you to organise a

subsidised morning or afternoon tea or bbq with residents in your street.

The aim of the gatherings is for neighbours to be invited to meet their neighbourhood watch reps and to have the opportunity to participate in programs.

After a successful suburb sale held in March 2010 we will now be holding this event annually. So mark your calendars for Sunday 20 March 2011.

The association would like to thank sponsors The City of Swan, Community News, Chapel Farm, Darling Ridge Butchery, Jane Brook Winery, Bakers Delight and

Elders Real Estate. In total there were 35 garage sales and 20 home opens on the day. Thank you to all people who took part on the day and for all the positive feed back that was received. Lets make the 2011 event even more successful than last year. Call 0438 913 980 to register your interest.

## Go for a walk.....

It's great to see so many people making the most of the fine evenings to walk the dog, ride their bike and be outdoors. The benefits are far reaching for your health and your community.

Getting some fresh air helps to de-stress and clear your mind. Exercise helps with fitness and weight loss... and...helps you look and feel better. Gives you time to talk and connect with your partner, family member or friend

**CommunityWalk** your neighbourhood and get to know some fellow walkers - say hello! Be the eyes and ears of the community. Enjoy some of the

beautiful parks and walking trails in Jane Brook and encourage improvement through the JBCA.

The JBCA is planning on a Community Walk in the coming months where all friends of Jane Brook can get together to walk our neighbourhood

for a fun family event! We'll keep you posted closer to the time, but in

the meantime, put on your walking shoes and enjoy the fresh-air and your neighbourhood. And don't forget to say hello!

## Your opinion counts!

As part of our membership application, we request feedback on the positive and negative things about living in Jane Brook and areas which could be improved. This is a great way to take the pulse of the community and find out what is really in the minds of our residents and friends when they think of Jane Brook.

The improvement suggestions have

provided support to the association in our efforts to provide a representative voice for our community. The suggestions also help us with grouping and prioritising our "to-do" list.

The JBCA believes that working together and speaking with a coherent voice to our council, local government representatives and local authorities will achieve a much more

effective result than approaching these bodies on an individual basis.

If you would like to be represented by the JBCA and have your opinion count, please feel free to fill out an application form on-line at [www.janebrookcommunity.com.au](http://www.janebrookcommunity.com.au)

## Dorrigo Park

The Jane Brook Community Assoc in conjunction with the City of Swan have embarked on a redevelopment programme for Dorriggo Park on Dongara Circle. The first stage includes a relocation and upgrade of the existing junior play equipment and the addition of a senior play area. This will take place in 2011. We will be seeking your opinions and assistance with other exciting enhancements we have in mind for the park shortly.

## Illegal Trail Bikes

Trail bike use in our suburb is illegal and heavy fines are imposed by the City of Swan. To help prevent an accident or death please contact the City of Swan on 9267 9267 anytime to report trail bike use within our suburb.

## Jane Brook Extension

Construction on Stage 1 of Lot 502 Jane Brook Drive has commenced. We have been liaising with Mirvac, City of Swan and Main Roads with a view to lessening any potential impact this may have on residents. For updates you can visit [www.mirvac.com/jane-brook](http://www.mirvac.com/jane-brook) and complete the 'register your interest' page.
