SEPTEMBER 2011

From The President

With spring upon us it is a perfect time to get out and enjoy our beautiful suburb and be part of the many events we have planned for the warmer months of the year. It's great to see many people out in the garden doing the usual tidy up after the winter weeds have created some havoc in our garden beds. I hope you all intend on entering the gardening competition which is now running until the end of October. The prizes in each of the categories are absolutely sensational and I sincerely thank all of our terrific sponsors for their generosity. We will celebrate everyone's achievement and hand out prizes at the Jane Brook Community open day on Sunday 30 October.

I am delighted with the results of the planting day which took place on the banks of Jane Brook on the 8th of June.

10,000 seedlings were planted, many of them with bags for protection from the elements. Remember not all the seedlings have bags around them so if you enter areas of planting you may be stepping on a seedling. We will have more planting days scheduled for next winter so that we can continue the revegetation of the creek system and I encourage you all to get involved.

We would like to encourage all residents to become members of the Jane Brook Community Association. It makes it easier for us to communicate and keep our residents up to date with current events and happenings within our suburb. Having a substantial membership of residents will aid in our quest to successfully apply for grant funding for the terrific events and programs we will coordinate for the residents of Jane Brook.

Mathew Merson

The Hills Symphony Orchestra 1981-2011.

The Hills Symphony Orchestra was founded in 1981 by Guildford Grammar School headmaster, David Lawe Davies. Almost 30 years on, it has become a much loved part of the hills community. Ticket prices are only \$5. Upcoming Events:

"Concerti" - Saturday September 17th, 7.30pm,
Midland Junction Arts Centre

"Symphony and Concerto" - Saturday October
22nd, 7.30pm, Midland Town Hall (tbc)

For more information please go to www.hso.org.au

Carols in the Park

December 10

We are very excited to bring to the residents of Jane Brook, Carols in the Park. This wonderful family event will be held at Huntsman Park on December 10. Families are invited to bring their rug and enjoy a picnic before the event begins. If you would prefer to buy your food, there will also be vendors selling hot food, coffee and ice cream throughout the evening.

There will be a fantastic array of entertainment all evening. Irene and the Lulu's, a popular children's entertainment group for the younger kids, will start their show

at 6.30pm. Once the sun has set, St Anthony's School Choir will perform many beautiful Christmas Songs and there will also be two soloists from Jane Brook to share their wonderful voices with you.

What would Carols in the Park be without a visit from Santa and some special treats for the children? So get ready to meet Santa and have a fantastic night.

Please note that due to FESA regulations, no wax candles can be taken to or from the event. For this reason, wax candles will be on sale for a minimal cost and will need to

be disposed of in the water bins at the end of the evening.

Due to the lack of parking people are encouraged to walk to the event. We appreciate that Huntsman Park is quite a distance for some residents in Jane Brook. For this reason we are putting on a free bus shuttle for families on the south side of the brook. More details about this will be made available, including bus stops and timetable, in the next newsletter.

We hope to see you there!

Keep your eyes out for the next Newsletter for updates.

Christmas Colouring-in Competition

To coincide with our Carols in the Park, we are running a colouring-in competition. The winning entry will feature on our website and as the artwork on the cover of the Carols Booklet.

If your child would like to have some fun colouring in one of our Christmas pictures and possibly win some prizes as well, then go to our website and print off one of the six different designs.

www.janebrookcommunity.com.au

Entries close on November 14.

St Anthony's Greenmount

Coles Vouchers and Woolworths Receipts

As you are aware, the St Anthony's Choir is volunteering their time to perform at our Carols in the Park. As a way of saying thank you, the Jane Brook Community Association would like to support the school with the collection of vouchers for the Coles Sports For Schools and the Woolworths Earn and Learn incentives.

If you currently do not have an affiliation with any other school we are asking if you could please support St Anthony's. Vouchers and receipts (check your old ones they may have points on them) can be simply dropped off at the schools office, 96 Innamincka Rd Greenmount; or dropped in the letterbox of 40 Huntsman Tce Jane Brook.

It would be wonderful if, as a community, we could repay the support that St Anthony's and their wonderful students are giving us.

Gardening Competition

ENTER NOW!!!

Now that the weather is improving and we are lucky enough to have beautiful sunny days, many of the Jane Brook residents can be seen working in their gardens each weekend. Why not get some recognition for all that hard work and win a prize in our gardening competition!

We have been fortunate to have extremely strong support from businesses in our community. The prizes allocated for each of the categories are just amazing. Please see below and on the entry form for the categories and prizes.

And if all of this was not enough, Mirvac have also been kind enough to assist us with the event at which the winners are announced, Sunday October 30 12-4pm.

It is easy to enter this fantastic competition. All you need to do is complete an entry form which can be found inserted in this newsletter or on our website:

www.janebrookcommunity.com.au

Make sure that if you are entering the Most Improved category, that you take a photo of the "before" and submit it with the entry form. Details for submitting your entry can be found on the form.

Now before you get out in the garden and start turning it into a thing of beauty, there is one more thing you need to know. All residents who enter the competition receive a discount card for Jane Brook Nursery.

Judging will commence in the last week of October, after which, the celebrations really begin.

Mirvac will be assisting the JBCA with the family fun event where the winners and runners-up will be announced. At this free event there will be a bouncy castle, face painting, a sausage sizzle and many other activities that will make this a fantastic afternoon.

What a great excuse to get together & have a fantastic time!
