Members Sundowner—Sunday October 26th

On Sunday October 26, the JBCA held its second adults only members function at Chapel Farm. The afternoon was enjoyed by all as members struck up conversations with their neighbours and delighted in the wonderful food and drinks put on by Darren and his staff at Chapel Farm. We even had the pleasure of some of our members grooving on the dance floor to the live band!

Every member who attended received a raffle ticket into our special draw of two prizes consisting each of a bottle of wine and a \$50 voucher for Chapel Farm.

We hope that everyone who attended had a fantastic afternoon and we will start planning the 2015 Sundowner to be bigger and better.

Please see page 2 for photos of the members enjoying themselves at the sundowner.

4WD Damage To Fencing

As you walk around the larger blocks developed by Mirvac, you may notice the damage being done to fences. It appears this is being done by 4WD's gaining access to John Forrest National Park.

Although Mirvac and the JBCA are trying to eliminate this problem, it now requires local residents to step up too.

Should anyone see a 4WD off road, please take down the number plate and report it. You can contact the local police station on 9250 0333.

Snake Alert!

Please be mindful of dugites as they are more active around the brook and bushland areas. There have been a number of dogs bitten in recent weeks and there is a fear not only for all pets, but more importantly children when playing in the area.

Christmas Appeal

This year the JBCA is teaming up with the **St Vincent de Paul** to help supply hampers to those less fortunate than ourselves.

Each year over 2000 WA households do it tough.

We are asking families to bring non-perishable food items to the JBCA Carols in the Park. Collections of gift wrapped toys for children will also be appreciated.

All donations can be left in the St Vincent de Paul trailer that will be located near the JBCA stand on the night. Alternatively there will be envelopes that you can leave cash donations in.

Noxious Weed Threatens Jane Brook

A local resident had a plant growing in his garden, that was attractive. After flowering and developing pods, he wrote to the Agriculture Department and asked them to identify it. It has been identified as the noxious weed, Narrow Leaf Cotton Bush.

The JBCA has been putting in huge efforts to remove this plant in previous years from the Foreshore Reserve. Should you see this plant in your garden please remove it, and if you see one in the public open space please email the JBCA mathew.merson@janebrookcommunity.com.au

Please see the photo attached for identification and read the information in links below.
