### **TOP 10 RECYCLING TIPS**

Did you know that if you contaminate your recycle bin with general rubbish or plastic bags the rest of the material in your bin will go to landfill as it cannot be sorted appropriately. Let's make Jane Brook the best recycling suburb in the West by adhering to these tips:

- ◇ Don't put your recyclables in the bin in a tied plastic bag. The bag won't be opened and will end up in landfill. Instead, leave items loose in the bin.
- ◇ Give containers, bottles and cans a quick rinse.
- ◇ Never put nappies in the recycling.
- ◇ Clothes and bedding should go to a charity shop.
- ◇ Rope, hose pipes or cable won't be recycled.
- ◇ Food scraps and green waste should be composted, not recycled.
- ◇ Soft or flexible plastic wrap or plastic bags cannot be recycled in our area.
- ◇ Aerosol cans can be recycled.
- ◇ Steel containers can be recycled after a quick rinse.
- ◇ Paint and batteries should not go in the waste or recycling bin.

## **Frontline 2020 – Community Policing**

Local Police Teams have been created to provide a known and consistent presence in every suburb. Each team will be assigned only a specific number of suburbs, depending on demand. They will be based at regular police stations, concentrating on local issues.

The aim is to identify and solve local issues before they escalate into matters that require urgent attendance by Response Teams. Local Police officers will have more intimate knowledge of their areas and greater ownership and responsibility for their particular suburbs.

We met with our Midland Local Police team at the start of February and the JBCA is looking forward to liaising with this team on policing issues. Midland Local Police Team 7 has been assigned to Jane Brook and Swan View.

You can contact the team on 0475 815 486 to discuss local issues that don't require immediate attendance. If they are unavailable you can leave a message and they will return your call. Do not use the mobile phone number for emergency calls or to request police attendance. More information can be found on the WA Police website.

# UPDATE

From the JBCA President—Mathew Merson.

## Dorrigo Park Works:

The JBCA is pleased to announce the start of works to enhance Dorriggo Park (Off Dongara Circle). The City of Swan will install a pooch post water fountain as pictured on the 10th March near the existing junior playground. In June 2015 a large shelter will be built on the park which will include a number of table settings. The structure will provide us with a location to hold many of our events throughout the year and will provide residents with a spot to shelter during walks around the suburb or while watching children play in the grounds. We will be exploring opportunities for funding the planting of additional trees along the verge and within the park, extending footpaths around the park and installing reticulation in the heart of the park to provide a grassed play area.

## JBCA Membership:

It is very important for each of you to renew or join the JBCA. Every additional member strengthens our numbers and gives us a greater voice when we are lobbying for grant funding, liaising with the City of Swan or speaking with our sponsors and member discount businesses. Don't keep delaying the decision to join - do it today and you will be assisting us to continue to strive to make Jane Brook one of the best communities to live in.

You can join online at [www.janebrookcommunity.com.au](http://www.janebrookcommunity.com.au) or contact us directly.

## Upcoming Events:

Our annual Suburb Sale will be held on Sunday the 15th March and will feature garage sales across the suburb. It is important that you register as soon as possible if you would like to hold a garage sale at your house so we can organise map locations and your signage. A sausage sizzle will be held at the map sales location so please make the effort to grab one or two as you move around the suburb hunting for bargains. This year we have organised a Summer Fun Day and Movie Night on Sat the 7th March starting at 4pm at Mirvac's park off Augustus Dr, with the movie commencing after 7pm. There will be some terrific free activities and entertainment, with food, ice-cream, coffee and plenty of other things happening on the afternoon and into the evening. It is important that you come along and support events like this so we are encouraged to provide them each year.
