Doggies Breakfast

Sunday 20th September 2015

9am — 11am

The JBCA Doggies Breakfast will return to springtime for 2015. This year will see a bigger and better morning. Participants can come along enjoy a walk with their furry friend and Jane Brook residents, have a sausage sizzle while wandering around the many stalls offering fantastic specials on various pet products and services. While you are here also pop over to the vet stand and have your dog quickly checked over or any questions answered.

The Doggies Breakfast will move its location this year to use the NEW fantastic gazebo at Dorrigo Park. The walk will still be along the banks of our wonderful Jane Brook — The Jane Brook Foreshore Reserve.

If you own a furry friend, this is an event not to be missed. Bring your entire family for a wonderful Sunday morning outing, even if you don't have a dog we would love to see you!

City of Swan Local Area Plan for Jane Brook Community Workshop - Tuesday 8th September 2015

The City of Swan has been undertaking a process of 'Local Area Planning', which involves working with the local community to identify specific issues affecting their locality, in order to produce a plan that provides solutions to specific needs and supports each area's unique character.

The COS will shortly be initiating the Swan View Local Area Plan, which will include the suburbs of Jane Brook, Stratton and parts of Swan View, Midvale and Red Hill. We are pleased to have the opportunity of working alongside the City of Swan in delivering a Community Workshop for the community of Jane Brook on Tuesday the 8th September at 6.30pm. In order for the workshop to create a productive Local Area Plan for Jane Brook, it is anticipated that a **minimum of 50 local residents** will be in attendance.

For additional information and to indicate your attendance on the evening please turn to page 6 or visit our website www.janebrookcommunity.com.au

Dorrigo Park Receives a New Gazebo

Next time you are out and about enjoying our suburb take a look at the new structure on Dorriggo Park. Thanks to the Clty of Swan we will now be able to conduct a number of our events out of the weather and in a little more comfort. With the tables and seats now in place it is a great spot to watch the kids on the playspace equipment, kicking a ball or running around with the dog. Our doggies breakfast will be held at Dorriggo Park on the 20th Sept and this structure will be our meeting point and sausage sizzle location.

Members Only Function

The annual Members Only Function has been a success for two years running. It has been enjoyed by everyone who attends and for that reason, we are hoping that 2015 is an even bigger and better afternoon filled with great food, drinks and fantastic conversation.

Please watch this space and our website for more details including the exact date in October.

TOP 10 RECYCLING TIPS

Did you know that if you contaminate your recycle bin with general rubbish or plastic bags the rest of the material in your bin will go to landfill as it cannot be sorted appropriately. Let's make Jane Brook the best recycling suburb in the West by adhering to these tips:

- ◇ Don't put your recyclables in the bin in a tied plastic bag. The bag won't be opened and will end up in landfill. Instead, leave items loose in the bin.
- ◇ Give containers, bottles and cans a quick rinse.
- ◇ Never put nappies in the recycling.
- ◇ Clothes and bedding should go to a charity shop.
- ◇ Rope, hose pipes or cable won't be recycled.
- ◇ Food scraps and green waste should be composted, not recycled.
- ◇ Soft or flexible plastic wrap or plastic bags cannot be recycled in our area.
- ◇ Aerosol cans can be recycled.
- ◇ Steel containers can be recycled after a quick rinse.
- ◇ Paint and batteries should not go in the waste or recycling bin.
